DREMEL GLUE GUN - 940 JA -HM0041

Question:

[Is it possible to source wood glue sticks and other craft glue sticks](#)

Answer:

Yes, Possible, provided you should have 11-12 mm diameter sticks to be used. As you know 940 model has a nozzle diameter around 1.5 to 2.5 mm, precise craft materials such as ear rings stone sticking etc will be bit difficult.

Question:

[We would like to buy the 7 mm sticks too. Do you have any?](#)

Answer:

We will dispatch the same but this one order separately please call our customer care 9914130130 OR fill contact us form for query/quote?

Question:

[Give me an exact view will this bosch dremel glue gun 910 support 11mm glue sticks](#)

Answer:

it will support 7mm only, the aperture to hold the glue stick would be small to accomodate 7 mm only

Question:

[How much watt it is of???](#)

Answer:220-240 V

It's a Ethernet switch not a router

D LINK WIFI ROUTER N-150 –HM0046

Question:

Please tell me how this can be installed? Method of manual is not working ?

Answer:

It's not a modem - It's just a router as per the specification. It doesn't have any slot to take in your (telephone type - ADSL?) cable.

Question:

[What is the Wi-Fi range of this router?](#)

Answer:

This is a home router, and serves well for an average two to three BHK home. Gives good coverage upto 40-45 feet!

Question:

[is this a good one ?](#)

Answer:

It's a very good product and easy to set up. Range is 20 -40 meter which is good enough for a regular 2 BHK flat. Position of router in d house is also equally important for coverage in every corner.

Question:

[Does it work as repeater mode](#)

Answer:
Yes it does
